# MR. "YOUNG INTERNATIONAL"

BeatBreaker not only plays the music you want to hear in the club, he is often the one who creates the very mixes that get the crowd in a frenzy. Based out of New York City, BeatBreaker is especially renown for his signature remixes and mash-ups; played in clubs and on the radio by DJs all over the world his artistry has earned him a fan base that stretches across the globe.

The past five years have kept BeatBreaker very busy. Shanghai, Taipei, Morocco, Switzerland, Miami, Chicago, LA and Vegas, this New York City DJ has exploded into the international club scene with an unmatched fury. From clubs in China to the US, he has catered to a variety of different crowds and those with an appreciation for the finer nuances in DJ styles. In Asia, BeatBreaker is not only a sought-after performer, but a celebrity in his own right, drawing a crowd of thousands in packed venues.

BeatBreaker's tracks have been supported by other big-name, established DJs like Steve Aoki, Vice, Laidback Luke, Lil' Jon and Tiesto. BeatBreaker has caught the attention of those who have an ear for fresh talent and a nose for a crowd-pleaser. With credits to his name like over 300,000 Mp3s sold on the international website for DJs (Crooklynclan) and garnering over 60,000 fans on Facebook, and a million SoundCloud plays he's more like a thousand-hit wonder.

As of late, you can find him making waves as a resident DJ in the number one market for radio. NYC's 92.3 AMP radio which hits over 15 million people in New York, New Jersey and Connecticut. When he's not mashing things up stateside he's heading off to Europe, Asia, and Canada where he holds residencies at some of the hottest spots in the world.

Known for his famous and distinctive mash-ups combined with his effortless ability to fuse House and Hip-hop, you literally cannot step into a club without hearing a BeatBreaker remix. Nor can you turn on a radio with hearing the characteristic BeatBreaker sound. Known as the "DJs' DJ" BeatBreaker has a stellar career ahead of him. Get ready for his self-produced original BeatBreaker mixes that will continue to top the charts.
