# MARIA ROMANO

Maria Romano was born and raised in an Italian house hold just outside of Pittsburgh, New Castle PA. Her passion for music began at an early age. At 11 she started DJ'ing her own parties and by 18 she had secured a reputation as the go to for many hot spots within Pittsburgh and the surrounding cities such as, NYC, NJ, Chicago to name a few. Wanting and needing more, she relocated to Las Vegas, where everything is bigger. She was welcomed with open arms for her talent. Successfully becoming a house hold DJ within nightclubs such as Hyde, The Palms - Ghost Bar , Guest Dj'ing for Floyd Mayweather and performing at The Latin Grammys. This year she has been invited to join the line up at the Life is Beautiful Festival.

Her inspiration is ever growing; however artists such as DJ AM, DJ Konflikt, Timberland, Missy Elliot and Drake have helped pave the way for her creativity. As her career evolves she hopes to take what she has learned into producing music, music that inspires and a story of "it is possible" to those that choose a similar path. Faith, determination and loyalty are the keys to her success thus far and will continue to be as her musical journey takes flight. Support the Movement.
