

Fashen

Phoenix, Arizona native Fashen became an essential part of the budding Los Angeles club circuit in the early 90's. With over 11 years of radio under his belt and almost 3 decades behind the turntables performing at concerts, clubs, and producing multiple mix CDs and remixes, he continues to dominate and secure his position at the forefront in the evolving world of DJing.

With a passion for art, photography and interiors, he applies a design-oriented approach to music, which allows him to weave in and out of music genres with precision and ease, using his wealth of musical knowledge that spans all genres.

"I have a great work ethic. I get that from my father. There's always something to be done, and someone who needs to do it. May as well be me."

Obsessed and entranced audiences are captivated by his electric style and mind blowing delivery. With his mad skill, seemingly effortless durability, hustle and larger-than-life personality, Fashen has not only raised the bar of DJing but solidified his current ranking as one of the most sought after turntablists in the world and has earned the title of Rockstar Energy Drink's "Next on the Decks" as chosen by EDM superstar Steve Aoki. Since winning the contest he's been able to deliver his unique blends to the hottest clubs in New York, Miami, Hollywood, Vegas, Chicago, while also spinning abroad in Canada, Tokyo, Hong Kong, Singapore, London, Helsinki, Dubai, Melbourne and The Gold Coast Australia.

Fashen currently resides in Los Angeles, CA.
