

STEPPING

~~SIDEWAYS~~

Stepping Sideways is a conceptual progressive/hard rock band from New Orleans. Their story is presented through massive atmospheric sound as well as epic story-telling in the form of graphic and full-length novels that tell a cosmic tale of a multi-dimensional being called the Traveler.

M E M B E R S

Khader Alherimi - Vocals/Guitar

Joey Vasatka - Guitars

Josh Talazac - Guitars

Matt Ikner - Bass

P.J. Huesmann - Drums/Percussion

In their first year Stepping Sideways has made waves in their local scene. The release of their first single "Path of the Hero" has seen multiple press-releases from different magazines such as New Noise Magazine and Vents Magazine. It has also been seen on compilation albums such as "Thumbhole Records: Tracks you Might Have Missed Vol 2." They were also featured on Metaladdicts.com. During that time they have had the pleasure of playing with prominent and famed musicians such as but not limited to:

SLAVES

TEN YEARS

ESCAPE THE FATE

ANGEL VIVALDI

Stepping Sideways seeks to give its audience an experience not soon forgotten by any who sees them live. Giving everyone an experience that they will remember and covet for the rest of their lives. In turn they will be able to make waves within all known creative industries.

THE STARS ARE NOT THE LIMIT
WE HAVE NO LIMITS
