

A man with short, dark hair and a goatee is sitting and looking towards the camera. He is wearing a black hoodie and has his hands clasped in his lap. A smartwatch is visible on his left wrist. The background is a blurred outdoor setting with a metal railing. The text 'B STEADY' is overlaid in a large, stylized, black font with a white outline.

BIOGRAPHY

Breakout DJ B-Steady is blindsiding the scene with his signature brand of mixing and turntablism. Garnering musical talent and range well beyond his years, this student of the culture respects the old school by rocking sets on vinyl and CDJs. Pulling from his German and Hispanic roots, DJ B-Steady blends a truly unique flavor of Hip-Hop, Rock, Alternative, EDM, and Latin in his open format sets around the San Antonio club circuit. You can catch DJ B-Steady at his Nightly Residencies on the weekly. Little did he know that the turntables his brother gifted him at fourteen would develop into an instant obsession, ultimately manifesting in a lifelong passion and proclaimed mantra: We are nothing without music.
