

CZBOOGIE

BIOGRAPHY

Czarina Mirani (aka Czboogie) was originally a professional actress and dancer for all of her life with a serious love affair for House. In 2005 she launched 5 Magazine, North America's only publication dedicated exclusively to underground House music. She has since then interviewed and worked with almost all of the House community's biggest stars and continues to push for the next generation of talent.

Aside from being the Publisher and Editor-In-Chief, she also does a 5 Magazine podcast 'CZ'S BOOGIE' and 'Conversations', promotes several House events in Chicago and has her own dance company (Fivestarboogie Productions) with dance performances and classes throughout the city. Her House dancing classes have been named by the Chicago Reader as the "best dance class in the city."

Czboogie's style of sexy vocal House music has made her an in demand DJ all over Chicago and in cities around the U.S. as well as in Asia. She has had DJ residencies at Smartbar (Chicago's number one club for electronic music), Grandbar, Hydrate, 3 Degrees at Primary, Circuit, Evil Olive, Crocodile, Uptown Lounge, Cocktail, Drop Chicago, Urban's House and with the legendary Boom Boom Room (the longest running House night in the world and renown host to world class DJs). One of the highlights was her Nu-Breed Residency with world-class House legends Cajmere and Chez Damier at Smartbar in 2012.

In 2011 the The Untouchables DJ crew was formed made up of Chicago legends Farley Jackmaster Funk, Paul Johnson, Gene Hunt, Craig Alexander, Boxx and Czboogie and they have since been burning up dancefloors across Chicago.
