# BIOGRAPHY

DJ Jay Sample was born James Evans in Montclair, New Jersey. At a young age he knew and felt that music would be a big part of his life. He drew early inspiration from legendary DJs and producers such as Tony Humphries, Larry Levan and DJ Red Alert. Jay's passion for music led him to purchase his own DJ equipment and teach himself the art of spinning music. As Jay honed his craft spinning vinyl, he began producing demo tapes that garnered him local attention and landed him guest appearances at legendary hot spots such as Club Zanzibar in New Jersey and the historic Sound Factory Bar in New York City.

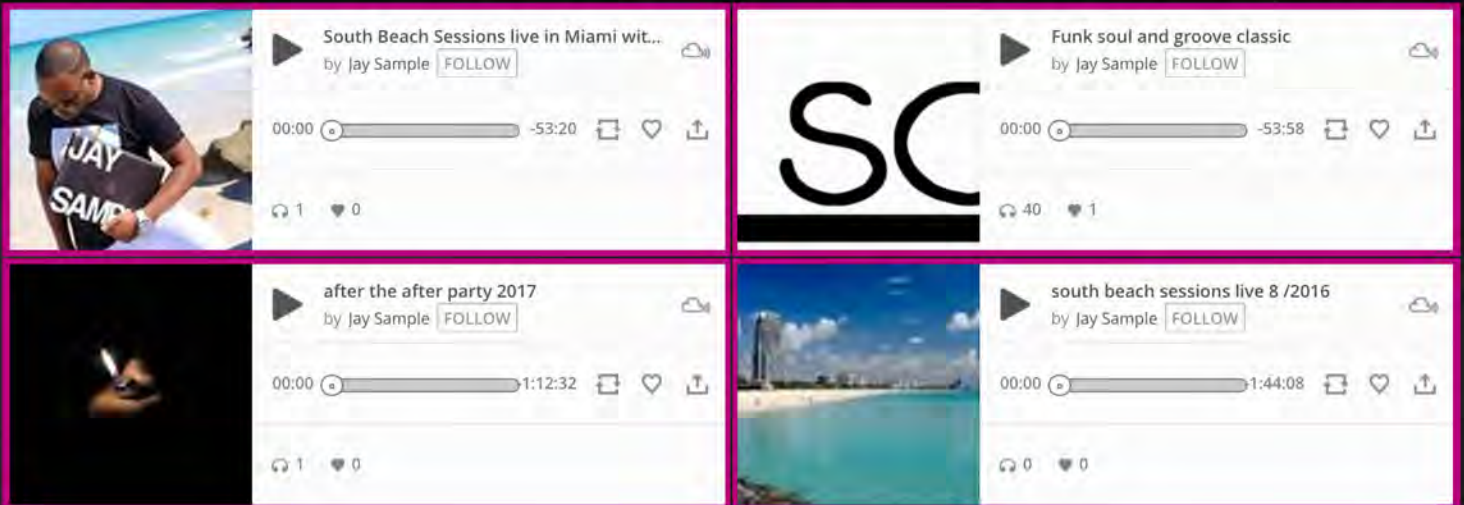

Jay won international accolades when he was invited to play in Tokyo, Japan. His signature sound became an instant hit on the dance floors of internationally renowned clubs such as Club Yellow, Joy Pack and Double 6. Jay Sample has toured extensively throughout Asia and Europe. He has played with acts like Xpress 2, Armand Van Helden and DJ Toro. Jay has made several guest appearances at many other overseas clubs and lounges.

Today, DJ Jay Sample heats up Miami South Beach with his infectious blend of slamming house and funk Soul, pop and remixed tracks. Jay Sample currently holds residencies at three of Miami's hottest scene clubs: Baoli, SET and Oceans 10. He also spins regularly at The Shore club Red Room, ONE Lounge and La Cote inside internationally renowned Fontainebleau Hotel. No matter where he spins DJ Jay Sample will keep the energy very high and the crowd moving.
