BIOGRAPHY

DJ LYT is a Los Angeles based DJ, playing a wide variety of music including Hip Hop, House, and Top 40s. She received professional training from the world famous Scratch DJ Academy — founded by Run DMC's late Jam Master Jay — and in the summers she teaches DJing at DJ TinaT's "Camp Spin Off." With a residency at the historic Circle Bar in Santa Monica and regular appearances at a variety of bars and nightclubs throughout the Beverly Hills and LA area, DJ LYT blends her unique taste of magic at venues throughout Los Angeles including Exchange LA, Heat Ultra Lounge and Create Nightclub and has recently taken her talents to cities including Las Vegas, Chicago, Seattle, Taipei and Miami to play their main party radio station Power 96. Originally from the island of Taiwan, DJ LYT came to the United States at a young age to pursue a career in music. Her passion for DJing grew at UCLA where she found herself captivated by the new music generation. After getting involved in local music scenes, she quickly decided that music was her life and has not turned back since.
