about

When it comes to an individual creative who can single-handedly conceptualize and execute all aspects of entertainment marketing, one name reigns supreme. Epitomizing "behind-the-scenes," MoeKnowsBest has played a part in setting the industry standard 25 years and counting. As a strategist, MKB maintains a coveted client list and has personally managed the brands of artists like Terry Hunter, events like the Chosen Few Picnic, and organizations like the Frankie Knuckles Foundation. As a designer, MKB boasts an extensive portfolio accentuated by a long list of the entertainment industry's hottest public figures, two decades of the hottest nightclubs and an astonishing 275+ DJs. And as a content creator, MKB remains highly sought after and most notably captured and produced BTS of Jazzy Jeff's 50th Year of Hip Hop.
